

## MEET OUR YOUNG FOLK

Shown at top left is Larry Nelson, 2½ months old son of Mr. and Mrs. Willie Nelson. Larry's father is employed in the Machine Room.

At top center is David Robert Jones, 2 year old son of Mr. and Mrs. Ansil Jones of Etowah. Ansil is employed in the Refining Department.

At top right are the two children of Mr. and Mrs. David Surrett, Stanley, age two years and Michael, age two months. As we can see from this picture, David, of the Inspection Department, will have no sitter problems.

Shown at left are the children of Mr. and Mrs. Arnold Williams. At top is Betty Sue, eleven years old, and Charles, age fourteen. Below is Billy, the youngest, age 1 year. All three children have recently been in the Asheville Orthopedic Hospital. Betty Sue is still confined to the hospital, but the two boys are now at their home on the Hendersonville highway. Charles has enough Merit Badges for his Eagle Scout badge. This award will be made at the next Court of Honor at Enon. Arnold is employed in the Machine Room.
