

Much has been said recently about the great importance of protecting one's vision, and we trust that you will agree that *THE "EYES" DO HAVE IT!* If there is any doubt in your mind as to the truthfulness of this statement, you can easily be convinced by taking part in a little experiment.

When at home sometime in the near future, put a black patch over each of your eyes. Keep those patches over your eyes just one single hour—or as many of the sixty minutes as you can stand. Look about you...try seeing your friends...try seeing the very food you are going to eat.

JOHNNY BOBBIN IN: "It Is Better To Be Safe Than Sorry"

NO DOUBT YOU RECEIVED ONE OF THE BOOKLETS ON SAFETY RULES AND INFORMATION, THAT WERE GIVEN TO ALL EMPLOYEES DURING THE EARLY PART OF 1943.

YES JOHNNY, BUT UNFORTUNATELY I MISPLACED MINE BEFORE HAVING A CHANCE TO STUDY IT.

YOU MEAN THAT DURING THE PAST 6 YEARS, YOU HAVE NEVER REALLY STUDIED THE SAFETY RULES AND REGULATIONS THAT APPLY TO YOUR WORK?

THAT'S RIGHT—AND I HAVE SUFFERED NUMEROUS MINOR INJURIES DURING THAT TIME.
