## ON THE COVER

We are coming into the rainy season of the year—if such a season can be designated for Transylvania County, which has an average rainfall of 68 inches. It is the season when we realize that a raincoat is a necessary item in our wardrobe; a season when we can see young boys running around without hats or coats—and we wonder how they keep from getting pneumonia. But one thing is certain. The young girls will be going to school decked out in their galoshes, raincoats, and umbrellas.

One of these young ladies will be Olivia Gail King, shown on the cover, six year old daughter of Luther King of the Machine Room.
