

MEET AN ECUSTA FAMILY

If there is any one thing that a man is proud of, above everything else it is his family. This is certainly true of Charlie Whitmire of the Finishing Department, who says that he has one of the finest families in the county. Charlie came to Ecusta in 1940 and worked in the Pulp Mill until 1944, when he transferred to Finishing.

His two husky boys are Yancey, age 12, and David, age 2½. Mrs. Whitmire is the former Miss Christine McCarter of Greenville, South Carolina.

Charlie is a native of Transylvania County and is a part time farmer in the Cherryfield section. His father came from Ireland with six brothers. Two of them went to Texas, two to South Carolina, one to Georgia, and his father and one brother to Transylvania County.
