

LOOKIN' THROUGH THE MILL WITH OUR DEPARTMENTS

INSPECTION NEWS

By Kenneth McDaris

If you hear an Inspector say "that long", and see him measure up to his elbow, he is taking about fish, especially the one that got away. When the season opened, some lucky fishermen soon caught their limit, but some, like your reporter, had to be satisfied with less. Among those catching their limit are Ned Medford, Robert Jennings, Vick Sigmon, and Ralph Brown. Tom Bryson is the champion so far—he's caught his limit twice. Charlie Cox and some of his friends had good luck fishing in Watt Bar Lake, near Crossville Tennessee—Charlie caught a 25 inch catfish. Charlie and party stayed at Pine Ridge Fishing Camp. Howard Wilkie caught a 16 inch brown trout in White Water River, and Karl Wright caught a 17½ inch rainbow trout in the French Broad River.

Marshall Gillespie and some friends caught eight large carp in the French Broad River, four of them weighed 86 pounds—a pity they weren't edible fish. Others who have been fishing lately and had a fair amount of success are Joe King, Ray Byrd, Melvin Atkinson, Richard and Jim Sheppard, Lawrence Whitmire, Mr. and Mrs. Orville Long, and Mr. and Mrs. Oscar Lothery.

Jim McCormick, Russell Mason, and Roy Head have been on the sick list. Kenny, son of Mr. and Mrs. Lewis Redmond, is home from the hospital where he was treated for a throat infection. Robert Jenning's son, Billie, fell on a piece of broken glass and had to have seven stitches taken in his hand. Mr. and Mrs. Fred Randolph's children, June and Jackie, have just recovered from the measles.

Charles Hamilton and Richard Sheppard are the latest additions to our ball team.

Mr. and Mrs. Frantz Bishop are almost ready to move into their new home on Carolina Avenue in Brevard.
