

ECUSTA MAINTAINS FOURTH PLACE

Continued from page 19

teams each have a two win and ten loss record.

The league contests show promise of keener competition during the remainder of the season, as the schedule was rearranged this year in order to have a post season play-off of the four top teams at the end of the season.

Two double-headers were scheduled for each team this season, so that the league's scheduled play would be completed on Saturday, August 20. The team winning the most games during the season will be declared the League's champion. The four teams holding the top four places in the league standings at the end of the season will hold a post season play-off. The first and fourth place teams will play each other and the second and third place teams will meet in a one game elimination affair. The winners of the first round will then play a best two out of three series for the play-off championship.

INDUSTRIAL ALL-STAR GAME SET FOR SUNDAY, JULY 31st

McCormick field in Asheville will again be the site for the annual WNC Industrial League All-Star game. Final arrangements were made to play the game at 3:00 o'clock on Sunday afternoon, July 31st.

This year teams that are in the first, second, seventh and eighth places will play teams that are in the third, fourth, fifth, and sixth slots in League standings. Team standings as of July 16th will be official. The All-Star managers will be selected from the first and third place teams of the same standings. Each All-Star team will be composed of sixteen players, or four players from each team to be chosen on the meeting night of July 18th. Team managers will select the players most suitable to form the strongest combination for each aggregation.

Sunday afternoon was chosen as the best probable day since so many of the Industrial league fans and spectators are free on that day. Price of admission will be seventy-five cents for adults and twenty-five cents for children. Tickets will be available in the Ecusta Athletic Office after July 18th.

MACHINE ROOM LEADS DEPARTMENTAL LEAGUE

Milt Pace Star of the Month

The Machine Room Baseball team took over the Departmental League's leadership on Wednesday afternoon, June 8th, by handing the Champagne nine their first defeat of the season. The Machine Room has a record of four wins and one loss while the Champagne team has three wins and one loss, as of Friday, June 17th.

Milt Pace definitely was the star of the month. He hit a home run in the bottom half of the ninth inning for his Machine Room team, to break a deadlocked score of four all against the Champagne team on Wednesday, June 8th, to bring home the victory for the papermakers.

Rain interrupted the League's play during the week of June 13th, causing postponement of games that week. Games for that week were to be played the week of July 20th, and results will be carried in next month's issue of THE ECHO.
