

SPEAKING OF CHILDREN

Everyone likes to see pictures of children, so this month we are showing five attractive youngsters from the Machine Booklet and Autobound Departments.

Two happy one year old children are shown above. At left is Guy Mull, Jr., son of Mr. & Mrs.

Guy Mull, celebrating his first birthday. The lovely young lady at right is Linda Ann Reese, daughter of Mr. & Mrs. Vernon Reese. Both Guy and Vernon are employed in Machine Booklet.

The young lady, reclining at upper left on the facing page is Sue Ella Wilson, five month old daughter of Mr. & Mrs. L. C. Wilson. L. C. is employed in Autobound.

The attractive lady shown at upper right is Janice Marie Merrill, six years old. Janice Marie is a niece of Gladys Wilson of Machine Booklet.

Below is Ronald Eugene Gaither, one year old grandson of Maymie Reynolds of Machine Booklet. Ronald's picture appeared in the December 1948 issue of The Echo when he was five months old. He was shown as the youngest member of five generations.
