

FUN'S A-POPPIN'

The Alfred Galloway's like to pop and eat popcorn the year 'round, but for a Yuletide treat they prefer popcorn balls. Alfred, of the Electrochemical Department, is shown popping the corn while Mrs. Galloway and 4 year old Diane patiently wait.

Popcorn balls are just as much fun to make as they are to eat. So why not turn the family loose and have a party when you make your Christmas popcorn. The men can take care of the popping while the ladies make the syrup. And when it comes to shaping the balls, everyone takes a hand. Here is the recipe for Light Popcorn Balls:

The ingredients are one cup of sugar, one-half cup of
