

S AND A SAFER 1950

## JOINT SAFETY COMMITTEE

The American Paper and Pulp Association  
American Pulp and Paper Mill Superintendents Association, Inc.

## SAFETY AWARD

*This Certificate is presented to*

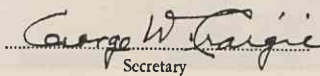

**Ecusta Paper Corporation**  
Pisgah Forest, N.C.

*in recognition of the low accident record  
it has achieved during the year*

Frequency Rate **7.53**

**1948**

  
.....  
Chairman

  
.....  
Secretary

The above Safety Award was received on December 2, 1949, and it is a tribute to every individual who was employed here in 1948. Low accident records do not result from the work of any one person, but from the combined efforts

of our personnel as a whole. We point with pride to this recognition you have received, and may the frequency rate on future awards be much lower than that shown above.
