

ECUSTA . . .

In the absence of Mr. Harry H. Straus, Harry H. Straus, Jr. delivered the Christmas message at the employees parties. He was introduced by Raymond F. Bennett. A program of selected Christmas carols was presented by the Ecusta Band and the girl's trio.

Below is shown a group at one of the employee's parties. In the foreground is shown Mr. James Lorick, Chief Engineer of radio station WWNC, making a recording of the program.
