

CONTROL AND MACHINE ROOM TEAMS TIED FOR LEAGUE'S LEAD

The Machine Room nine, defending Champions of last season, and the Control teams are deadlocked in a tie for first place as of Wednesday, June 14th. The Control nine won four straight victories before losing a contest by the score of 7 to 2 to the Champagnites on Monday, June 12th. The Machine Room team dropped its first game to the Control nine on Wednesday, May 24th by a score of 19 to 7.

The Champagnites have two victories to their credit, one over the luckless Generals, who have failed to win a game in five attempts, and the other over the Control nine to break their four game winning streak on Monday, June 12th.

Charlie Clayton of Champagne is leading the league with a batting average of .600. Marshall Loftis, Generals, and Albert Shuford, Champagne, are close behind in a tie for second place each with an average of .583.

The seventeen leading batters of the league who have been to bat ten times or more are as follows:

game, and being a victim of circumstances, was credited with the loss as the Sayles team pushed across the winning tally in the bottom of the eleventh inning.

In climaxing the period of six games played on Tuesday, June 13th, Grover Suttles pitched two hit ball in leading his teammates to a 9 to 1 victory over the league's leading Berkeley nine. Our boys banged out eleven hits off two Berkeley pitchers. Roy Head and Joe Whitaker each hit a triple. Roy's came in the first inning with the bases loaded. Head, Whitaker, Drake, Sams and Merrell, with two hits each, and Carland with one, accounted for Ecusta's eleven hits.

Our team has shown much improvement in the past four weeks and its progress from now on should be well worth watching. So if you haven't been attending these games, you are urged to go out and support our team.
