

MINSTREL SHOW

Those who didn't get to see one of the two performances of the Minstrel show really missed a rare treat. It was one of the best shows ever given in the Cafeteria.

Taking part in the Minstrel were: Jack Wilber, Refining, Ray Winchester, Electrochemical

Plant, Luke Harrison, Maintenance, Burder Teague, Machine Room, Shorty Fletcher, Machine Room, Conward McClure, Champagne, Jiggs Price, Inspection, Hunley MeHaffey, Filter Plant, the Ecusta Band and the Ecusta String Band.

Jack Wilber, Interlocutor, gets an amusing answer to one of his questions.

This quartet was a little off-key, but they gave a good rendition of "The Robert E. Lee."
