

FIVE YEARS AGO THIS MONTH

Pete Nowood of the Power Department visited relatives in Monroe, N. C.

Divola Nicholson of the Cafeteria went to Sylva for a few days to see her new baby sister.

From the Pulp Mill—we had a visit from Lawrence Tipton who has been discharged, and will be back to work in a few days. Incidentally, "Tip" is a fit subject for "Believe It Or Not". He went through Africa, Sicily, Italy, Normandy and into Germany without a scratch, but came home to a square dance and sprained his ankle.

From Maintenance—"Bub" Thompson tried to ride a motor bike, but from the way he has been limping around on crutches, the bike must have been riding him most of the time.

From Champagne—There's a smile that lights up the faces of the girls when their husbands or boyfriends come home from service.

Main office—Ralph Russell won first prize (a \$100 War Bond) for the best suggestion on plans and development of Camp Sapphire.

Maintenance—Members of this department gave "uncle" Bill Heaton a party on his 65th birthday.

Refining—We saw Earl Gray in a tug-of-war at the Fourth of July picnic, and there is no question as to which side won—Earl's weight swung the balance.

Machine Room—Strong Machine Room team still undefeated, having won 13 straight games.

Finishing—Mr. Avery is back from a week's vacation—said he enjoyed the rest.
