

MAINTENANCE GREASE SPOTS

By Bruce Cassell

Well, Halloween is gone and the spooks didn't hurt anybody much. Everybody enjoyed the Bingo Party. We hope we have more of them and more often.

Coon hunting must be getting good. We saw Mr. Hugings with two feet the other day, but we haven't seen any grease on his chin. Don't know whether he is going to give us a coon supper or not.

We are really proud of our Bowling Team. Hope they can stay on top.

Mr. Bagwell spent two weeks' vacationing. He must have had a good one, he came back to work all smiles. Bert Alexander has gone out West. Hope he has a nice trip. Charles Freck, Gordon Black, Calvin Day, Norman Thompson, James D. Cabe, J. Bert Jones, Worth W. Wells, Floyd D. Saunders, Fred L. Johnson, Joe Wright, U. G. George, these men have had or will have taken their vacation by now. Hope they enjoy them a lot.

We hear they have started a baking school at Rosman. They have already had one pupil out of the Maintenance Department.
