

DOWN THE ALLEY WITH GUTTER GUS

Gutter Gus would like to congratulate our Ecusta bowlers for the fine showing they made in the recent WNC Bowling Tournament; for results read the adjoining article.

Our bowling season is nearly over and it looks like the Papermakers will cop the championship. However, as for determining the winners of second, third and fourth place honors of the league remain to be seen with the Pirates, Maintenance and Storeroom teams, each fighting to outdo the other. We'll give you the results of this next month and also the winners of the different individual honors for the season.

Our annual post season tournament will be held during the first two weeks of March, and we also hope to have these results complete for the March Echo. Gutter Gus would like to urge every eligible bowler to enter this tournament.
