

### PAPERMAKERS WIN BOWLING LEAGUE'S CHAMPIONSHIP

The Papermakers captured our Interdepartmental Bowling League Crown with a record of 42 wins and 21 losses. Their nearest contenders, the Maintenance crew, finished in second place, five games behind the Champions.

The Maintenance crew poured on the steam coming down the home stretch to win seven of nine games played to forge ahead of the Pirates by one game and capture the second place honors. The Pirates won their last match over the Store-room keglers to take third place honors while the Storeroom finished in fourth place, three games ahead of the fifth place Bees.

Gutter Gus would like to congratulate the four top teams, and also every bowler who has participated in the bowling matches this season, for the fine spirit of sportsmanship, fair play and fellowship that has predominated our league throughout the season. It is needless to say that this is one of the many activities sponsored by our company that helps make Ecusta more than just a place to work.

### BEEES WIN TEAM EVENTS HIGH HONORS IN BOWLING TOURNAMENT
