

*You!*

*Seeing that soft drink bottles are kept off of steps and platforms will insure better housekeeping and eliminate stumbling hazards.*

*There will never be an acceptable alibi for riding on beds of electric trucks, or on flats being pulled by hand or electric trucks. Saving a few steps in this manner can put one behind the '8' ball and in the hospital.*

*"Smart guys who are goggle-wise, keep them on and protect their eyes". Loss of vision can result in loss of earning power, and our eyesight is so precious that we should never neglect it.*
