

*Above photo: Lucy Clarke, Analytical Lab., uses analytical balance. At right: Eldred Burns, Finishing, weighs bobbins.*

*Photo above shows W. Green, Champagne, weighing carton of cigarette paper ready for export. Above right, Charles Tinsley, Champagne, stacks boxes of end-less belts on scales for weighing before shipment. The Gate House scales come through "in a big 'weigh'" for Furman Cansler, Foreman of Replacement Crew. Photo at right shows him weighing a truckload of coal.*
