CLEAR PAPER AND HILLBILLIES BOWLING TEAMS TIED FOR TOP

After the last pin had been knocked down and the smoke had cleared away on Friday night, November 16th, a quick tally by the league's secretary found that the Clear Paper and Hillbillies teams were tied for first place in our Ecusta Bowling League race. Each team has a record of fifteen wins and nine losses.

With the first round, of three rounds of play, almost completed each week the competition gets tougher and every team shows improvement which indicates the prospect of some nip and tuck bowling matches in the future.

Friday night the ninth the Pirates shut out Finishing 3 to 0 while Maintenance, Cellophane Mecks, and the Bees defeated their opponents, Electric Shop, Transportation and Hillbillies 2 to 1 respectively.
