

# Merry Christmas

## MIRTH ALSO

Fail not to call to mind, in the course of the twenty-fifth of this month, that the Divinest Heart that ever walked the earth was born on this day, and then smile and enjoy yourselves for the rest of it; for mirth is also of Heaven's making.

—Leigh Hunt in Good Housekeeping

Fail not to call to mind these Christmas don't's so that the mirth of this day shall not be turned to sorrow.

Don't place your tree near sources of heat.

Don't forget to keep the base of your tree in water.

Don't use flammable tree decorations.

Don't use defective lighting equipment.

Don't permit smoking near your tree

Don't overload your electrical outlets.

Don't run electric trains around the base of the tree.

Don't let the lights burn too long at a stretch.

Don't allow gift wrappings to accumulate.

Don't forget to check the needles on your tree daily.

Don't forget the safest method of disposing of your tree is through your trash collector.
