

SANTA COMES CALLING . . .

Taking the day off and leaving his workshop in the hands of his helpers, Santa Claus made a call at Ecusta on Saturday, December 22. The occasion was the annual Kids' Christmas Parties, held at the Cafeteria from 10 A. M. 'til 8 P. M. Santa greeted the children as they entered the Cafeteria checking with them to make sure that he knew just what they wanted him to bring for Christmas. The Recreation Department helped Santa with the parties by showing special movies and supplying aides to assist him with giving out candy-filled stockings.
