

# 'TEEN AGE PARTY

On December 14, employees' teen-age sons and daughters and their guests were entertained at a dance held in the Cafeteria. From 8:30 'til 11:30, the teen-agers danced to the music of the Buccaneers of Asheville. With the Recreation Department in charge of the arrangements, the Cafeteria was decorated in a Christmas motif with tables provided at the rim of the dance floor for the serving of refreshments.
