CHAMPAGNE MACHINE SHOP

By D. C. Landreth

Hi friends, I am really glad to get a little bit of news in for this month.

So, with spring in the air the biggest subject is fishing. All the boys are looking forward to the day when they can take to their favorite

stream, and unlimber their arm on some nice trout.

There are four of us boys planning a deep sea fishing trip this spring, so I will pass it along to you with pictures and news when we return.

Doyle has been a lot happier the last month, since his son (Shortie) got to go to school at Fort Benning.

R. B. Shealey is planning to trip to Florida this month. We wish him good luck in traveling. I suggested he take along a 36 inch pipe wrench to work on his carburetor and a 16 pound hammer just in case he has any trouble.

We are looking forward and hoping Ecusta has a good baseball team this year. Here are a few of the plays that have happened in the Big Leagues that are noticeable.

Bobby Thomson hit the most dramatic home-run in baseball history. Monte Irwin stole home for the first time in 30 years in a world series game. Gil McDougald was the first rookie to ever hit a grand slam home run in a world series game. Ned Garver is the first pitcher to win 20 games with a last place club since 1924. The longest winning streak in baseball was chalked up by the Giants in 1916. They won 26 in a row.

So-long, see you next month.

We are glad to have Jessie Gillespie back at work with us again after having spent the past couple of years in the Navy. He received his discharge the latter part of December and returned to work the first of the year.

Alvin Blythe had a restful vacation at home during January. It must be nice to stay in bed these cold mornings.

Mae Whitmire spent the past two weeks in Florida on vacation.

A miscellaneous shower was given for Laura Pharr Paxton at her home recently. Hostesses were Tulen Israel, Lucille Dockens and Gladys Cassell.

Lucille Dockens is wearing a lovely diamond. No definite date has been set for the wedding.

That any citizen may make an arrest? Although it is commonly believed that only policemen may make an arrest any citizen who sees another committing a felony may haul the culprit into the nearest police station and demand his arrest. In fact, if a citizen sees a traffic cop violating an ordinance it is his privilege to make the traffic cop write himself a ticket.
