

CAFETERIA AND CANTEEN

By Anne Kitchen

If you are planning on buying a mink coat see Woodrow Fisher at once. He took a vacation and caught a mink—and it's for sale.

Need new tires, your car washed or a tank of gas? See Glenn Newton. Glenn is in

the business and is taking a vacation to put his station in order.

J. C. Chapman was really disappointed. He ordered a boy and the stork brought a baby girl. Arthur Thomas was also visited by the stork and was left a boy.

We extend our sympathy to Charlie Orr and family in the loss of their father, John Greer of Etowah, N. C.

Did you see Olivia English's picture in the paper trying to win her way through the world? She was fortunate enough to win a ham at the B & B Feed Store.

Fred Sherman seems to be well contented with his new home at Fletcher. He moved there from West Asheville.

We are glad to have William Gardner back. He has been away at school for the Fall term.

Make Light Work of Washing Work Clothing

So you have to wash work clothes! Proper preparation can save you time and energy. Turn pockets and trouser cuff inside out and brush thoroughly. If garments are heavily soiled, moisten and rub soap on the worst spots, then roll up and leave for several hours. Before tubbing, either by machine or hand, scrub these spots with soap and a stiff brush.

The two Carroway youngsters shown above are grandchildren of Vance Cagle of the Cafeteria. At left is Robnie, 8 months old, and at right Walter, Jr., 3 years old.

Shown above are two children of Mr. and Mrs. Vance Cagle of Horse Shoe. At left is Virginia, 11 years old, and at right is Augustus, 8 years old. Vance is employed in the Cafeteria.

NAMES MAKE NEWS

Here's a list of towns with odd names, which with abbreviations of their States make interesting combinations:

Ash, Kan.; Carper, Tex.; Mount, Wash.; Oggo, Ga.; Odear, Me.; Shelton, Ky.; Shoo, Fla.; Kay, O.; Houdy, Miss.; Fiver, Tenn.

MATCH NOTES

Chemists have found that burning several matches in quick succession tends to overpower cooking and other room odors. The burning matches give off sulphur dioxide which has a pleasant aroma and disguises unpleasant smells.

Keeping the five-to-nine year olds happy on a rainy day: save old used up match books, let the youngsters cut tissue paper or typewriter second-sheets to size, paste on, and trace through the picture and the lettering. With the brilliant coloring of many books of matches, the youngsters can top it off with a coloring job.
