WINNERS OF THE HIGH INDIVIDUAL SET AND GAME HONORS

The following men captured the high individual set and game honors on their respective team during the 1951-52 bowling season. The high set and game score include individual's handicap. No one bowler could win both awards on his team. If he possessed both high scores he will receive the high set award and his teammate with the nearest high game will receive that award. The most improved bowler on each team has not yet been determined but will be announced later.
