## ON THE COVER

April showers may bring the May flowers, but they also bring great disappointment to over a million American youngsters — especially to the Sandlot Leaguers. All through the week baseball's stars of the future look forward to Saturday and the "Big Game". Finally the day arrives—and so does the rain!

The two sad-faced baseballers are Hugh Jr. (left) and Charles Bradburn, sons of Hugh Bradburn (Main Office), president of our Interdepartmental Baseball League.

← Summer vacations are coming up, and, no doubt, there will be many Ecustans driving along the scenic Blue Ridge Parkway. This scene is from Mohogany Rock, which is on the Parkway.
