ON THE COVER

The ol' swimmin' hole is usually the first place a schoolboy heads for when school is out for the summer. Obviously ignoring the "No Swimming" sign which someone, not entirely in sympathy with the whims of youth, has erected, this young fellow is taking his first plunge of the 1952 swimming season.

← Once again the lake at Camp Straus is available for use by the fishermen at Ecusta and, from all reports, there are plenty of bass and bream in the lake just waiting to take hold of an angler's hook.
