

What the "customer" doesn't see is this overall view of Paper Division's Storeroom. Over 14,000

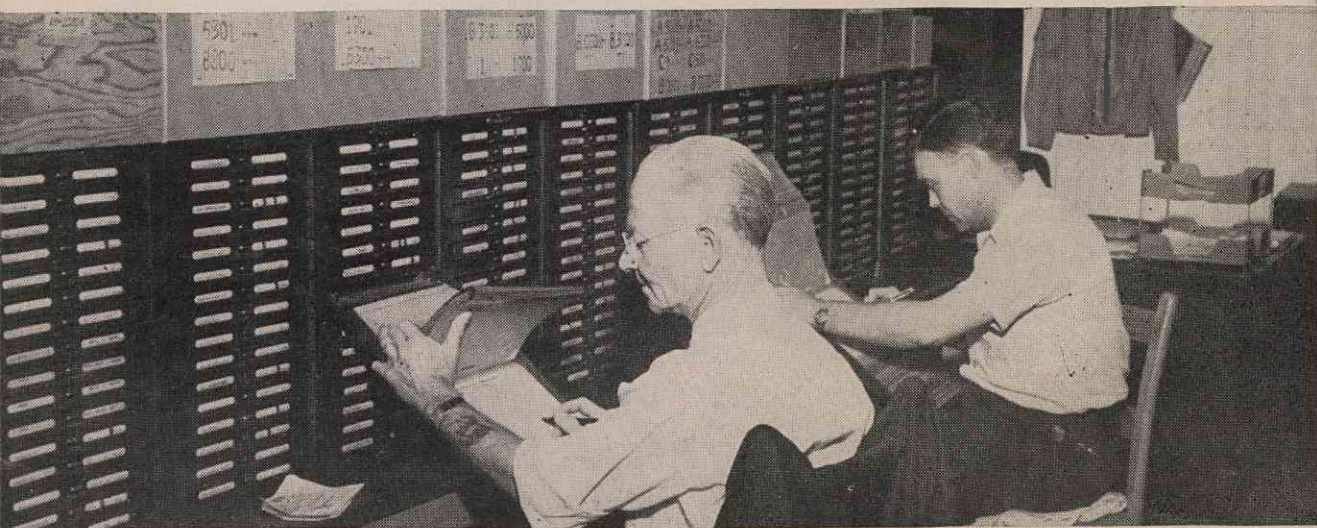

items are stored here. Note the well-planned arrangement of storage shelves, bins and tables.

LAST YEAR OUR STOREROOMS
 "SOLD" OVER 56,000 ITEMS
 AND BUSINESS IS IMPROVING!

Should you suddenly need a bolt, a joint of pipe, or even a bar of soap, you may be almost certain of finding it at one or both of our two Storerooms. Or, should you need any one of approximately 19,000 other items, the chances of their not having it are almost nil.

Our two Storerooms, one for the Paper Division, and one for the Cellophane Division, are

Dick Allen (left), Posting Clerk, finds location of items listed on Requisitions. Items are code-

numbered according to storage area locations. George Justus lists code number of incoming item.
