## ON THE COVER

A recent aerial photograph of Ecusta taken by Alex Kizer, Jr., from an Ercoupe owned by Freeman Hayes and piloted by Gene Morris.

← The Red Cross Bloodmobile is scheduled to return to Ecusta on Wednesday and Thursday, July 30 and 31. Blood donations will be received under the same system as they have in the past. Those wishing to donate a pint of blood to the Red Cross for subsequent processing and distribution to Army hospitals in Korea and to local hospitals are urged to arrange with their supervisors for a visit to the Bloodmobile which will be located in the Medical Center. Hours for receiving donations are from 7 A. M. to 7 P. M. on Wednesday and from 6 A. M. to 6 P. M. on Thursday.

The Red Cross nurse is shown placing a pint of blood, donated by an employee during the last visit of the Bloodmobile to the plant, in a refrigerated box for shipment to a processing center. Employees donated 224 pints during the Bloodmobile's last visit.
