

Above: Three of the Cafeteria's Women in White. Olivia English (left), of the Paper Division Cafeteria, serves a fellow Ecusta employee his choice of one of approximately eight different salads on the day's menu. Chances are that the salad was prepared either by Anne Kitchen (center photo) or by Ethel Batson (right). Anne is shown preparing tomato salads while Ethel takes tray of potato salads from refrigerator to place on food line in Cellophane Division's Cafeteria.

Below three representatives of the Medical Center's Women in White are (left) Carolyn Cheek, who is shown in the laboratory of the Medical Center using a microscope to take a blood count; Jeanette Paxton (center), who is pictured at the controls of a short wave diathermy machine used in the treatment of muscular aches and sprains; and (right) Bonnie Wells, who is shown adjusting the flow of water into the whirlpool bath in the Physiotherapy Room of the Medical Center.
