This CERTIFICATE OF SAFETY ACHIEVEMENT, issued jointly by the North Carolina Department of Labor and the United States Department of Labor, pays tribute to the entire personnel of Ecusta Paper Division.

In order to qualify for such a Certificate, it is necessary that a plant show at least a 40 percent reduction in their frequency rate of injuries. The

personnel of the Paper Division should be proud of the fact that they were responsible for a 55.5 percent reduction during 1951, as compared with 1950.

You are proving beyond a doubt that accidents can be prevented, and with this continued good attitude with reference to eliminating personal injuries, there is no doubt but that you will be in line for further recognition in the future.

THE NINE PROMISES OF A GOOD CITIZEN

1. I will vote at all elections. I will inform myself on candidates and issues and will use my greatest influence to see that honest and capable officials are elected. I will accept public office when I can serve my community or my country thereby.

2. I will serve on a jury when asked.

3. I will respect and obey the laws. I will assist public officials in preventing crime and the courts in giving evidence.

4. I will pay my taxes understandingly (if not cheerfully).

5. I will work for peace but will dutifully accept my responsibilities in time of war and will respect the Flag.

6. In thought, expression and action, at home, at school and in all my contacts, I will avoid any group prejudice, based on class, race, or religion.

7. I will support our system of free public education by doing everything I can to improve the schools in my own community.

8. I will try to make my community a better place in which to live.

9. I will practice and teach the principles of good citizenship in my own home.
