### INSPECTION

By Holland Corn

Well we are back from a nice vacation and in time for another report for The Echo.

The boys and girls on "C" Shift really had a nice time on a chicken fry or chicken supper the other nite at Camp Straus. Several of the boys

have been wondering why Orville Long was so poor and skinny, but they found out at the chicken supper. He eats so much it makes him poor to carry it. We had several visitors along with the boys. They were: Lee Bauer, Bob Matthews, Ray Hooper, Ben Blackwell, Sr., Ben Blackwell, Jr., Ollie Mae Wood, Mr. and Mrs. Millard Teague, Mrs. Charlie Cox.

(Oh, yes! I was there too!) I really enjoyed that good chicken. Of course, I am just one of the boys, you see. I belong to all the shifts and I get to go to a lot of parties too. The regular Shift workers who were there are: Ralph Smith, Verlon Wood, Ned Medford, oh yes, Mrs. Ned Medford was there too (keeping check on Ned), Charlie Cox, Harry Hogsed, Lynn Pressley (The peddler), James Hoots, Walter Hutchins, Earl Groves, William Neil, Clifford McCall, Orville Long, Robert Taylor, Robert Fox, Russell Mason, John Dyer, James McCormick, Celia Boyd, Hazel Arrowood, Bob Marshall, Mary Sue Jennings, Eugene Stewart, and Braxton Long (a visitor). I believe everybody had a real nice time.

We are sorry to hear of Tom Bryson being in the hospital and also of Ralph Waldrop. We hope for both of you a speedy recovery and you will be back with us very soon.

Ralph Smith reports a very speedy horse he once had. He made a trip from Glouster to Brevard (that is 21 miles) in 25 minutes. No doubt the horse and rider had a shot of Hadacol or something before leaving. This story might be in competition with Lawrence Whitmire's and Russell Mason's snake stories.

Some of the boys on "C" Shift are wondering if Lawrence Whitmire will attend the Convention at Chicago since he has purchased a new Chevie.

"C" Shift regrets the loss of Dewitt Hill and James Hoots to "B" Shift—although "C" Shift's loss is "B" Shifts gain.

Mary Sue Jennings Marshall slipped one over on us by secretly joining matrimonially to Bob Marshall. Congratulations from all of us.

We are sorry to learn of the death of Connard

Stewart, brother of Eugene Stewart of the Control Department. Connard Stewart was killed in an auto accident on July 11, near Nashville, Tenn.

Charlie Cox reports that his father lost approximately six thousand dollars worth of live stock, grain and farm implements by fire that was started when lightning struck his barn.

*James Clay (left) and Ted Davis of Inspection are shown with the large catch of fish that they brought back from Lake Douglas.*

*Wilma Gail and Robert V. Taylor, Jr., are the children of Mr. and Mrs. Robert Taylor. Wilma is ten months old and Robert, Jr., is two years old. Their father is employed in Inspection.*
