

PEOPLE AND PICTURES

Ecusta employees donated 213 pints of blood when the Red Cross Bloodmobile visited our Medical Center on July 30 and 31. Three of the donors are shown above. They are, foreground, Oscar Whitmire of the Inspection Department (paper), sitting, Fred Conner of the Finishing Department (Cellophane), and Wayne Nicholson of the Wrap and Pack Department (Cellophane).

Recently a group of members of the International Institute of Farm and Home Planning from eight foreign countries visited Transylvania County. During their visit they made a tour of the plant and had a picnic at Camp Straus. The food for the picnic was prepared by the Home Demonstration Club members of the County. An address of welcome was given by Mr. L. F. Dixon (inset) at the meeting which followed the picnic.
