ON THE COVER

Future All-American? Who knows? Perhaps Dennis Pressley, 10 year old son of Mr. and Mrs. Clarence Pressley, will, like countless others before him, go on from neighborhood games to become a star on high school and college teams.

Dennis is in the 5th grade at Pisgah Forest School. His father is employed in the Pulp Mill and his mother in Endless Belt.

Below: As October nears an end, Halloween approaches. Halloween . . . a day with a rich background of superstition and ancient customs . . . when costumed youngsters go from door to door, ringing doorbells and shouting, "Trick or treat!" . . . or a time when some might see what this photographer saw last Halloween.
