

Miss Ethel Lucille Merrill, daughter of Mr. and Mrs. Otis C. Merrill of Penrose, N. C. and Edward H. Zellman of Umatilla, Florida, son of Mrs. Rosa Zellman and the late Edward A. Zellman of Umatilla, were married November 29, 1952 at the Little River Baptist Church. The Reverend John T. Neal performed the ceremony. Mrs. Zellman is a former employee of the Endless Belt Department. The couple will reside in Umatilla, Fla.

Miss Juanita Albertson, daughter of Mr. and Mrs. Jay C. Albertson of Brevard was recently graduated from Greenville General Hospital School of Nursing, Greenville, S. C. In June 1952 she was elected to represent her school at the 1952 Biennial Nurses Convention in Atlantic City, N. J. She is at present a member of the staff at the Greenville General Hospital. Her father is employed in the Finishing Department (Paper Div.)

OFFICE BITS

By Alex Duris

"Peace on Earth," — and the fighting goes on in Korea! How long, oh, how long will it be before men can resolve their differences and learn to live at peace, one with the other? There will be little peace at this Holy

Day celebration in the world, but aside from those who have loved ones at the front, most Americans will be able to enjoy peaceful holidays. Once again, the American people owe a tremendous debt to those who are on the world fronts keeping the flame of liberty alive, so that freedom will not perish from the earth.

Would it not be wonderful, if we could carry over the good will exhibited towards one's fellow men during the holiday season, on and on, throughout the entire year?

We were very sorry to learn of Betty Perkin's misfortune and illness. We hope that you will be able to recover soon, and that you will be back with us before too long.

Alice Garren enjoyed a restful vacation recently—mostly puttering around and relaxing.

Tom Smith took a "quickie" trip to St. Peters-

burg, Florida. They say that Tom was worried about his favorite green bench down there and also wanted to check up on the orange crop.

Katherine Siniard was another of the girls who enjoyed a quiet and restful vacation.

Hazel Reese has bid farewell to the Files Section. Hazel has decided that being a housewife has certain advantages. We wish you the best of luck.

E. B. Garrett, Jr., enjoyed an early December vacation at Winter Haven, Florida, in the heart of the citrus and lake region of the Sunshine State. It's really one of the prettiest spots in the state.

Dot Capps, of the machine records department, vacationed in Augusta and Atlanta, Georgia and at home. They tell me that Dot can swing concrete blocks around with the greatest of ease, as she acted as a mason's helper to her husband. If you have any concrete block work to be done, call the Machine Records Department for rates.

Marie Rickman spent her vacation in Hendersonville, where she enjoyed puttering around her new home.

The boys on Wall Street are babes in the woods compared to Charley Cook, Carl Stevens, and "Chigger" Reese, as they watch the spinning coin which decides who is to pay for the ice cream!

Until we get Charley Brewer's permanent APO address, the ping pong boys wish to be remembered to you, Charley!
