## ON THE COVER

Sipping cokes through soda straws which had been wrapped in Ecusta Soda Straw Wrapping Paper are Alburn Teague and Gwendolyn Picklesimer, seventh graders at Pisgah Forest. Alburn is the son of Garland Teague (Power Department) and Gwendolyn is the daughter of Louie Picklesimer (Storeroom).

# ECUSTA SERVES

## Let's win another star

This flag—and the new star which has been added—were awarded for our successful safety program. Let's keep the right to fly this flag. Let's win another star. Let's continue to work together to make our jobs safer, more secure. Above all, let's be sure that you and your family stay free from the fear and pain and loss which accompany every serious accident.
