

ARCHERY CLASSES TO START JUNE 4

O. K. Smathers will hold archery instruction classes again this summer on Thursday afternoons from 5:00 P. M. to 6:30 P. M. at Camp Straus. All persons who are interested in learning to shoot, in improving their shooting ability, or who have children who would like to receive instruction in archery, are urged to attend these classes.

"If the Thursday afternoon classes are filled to capacity and there are still more who would like

to learn archery, we plan to offer an additional afternoon of classes each week," Smathers states.

"Owning your own bow and arrows is not required for enrollment in the classes," he adds. "The camp has several sets available for use by students. However, if you do have a set of your own, by all means bring it along."

Bill Bangs and Harry Ballard, also outstanding archers, will assist with the instruction.

Left: A scene from one of the archery classes held at Camp Straus in a previous summer. O. K. Smathers, Southeastern Archery Champion, will serve as instructor again this summer. All persons interested in enrolling in a class are asked to contact O. K. Smathers (Electric Shop), Bill Bangs (Cafeteria) or Harry Ballard (Maintenance) before June 4.
