"A" SHIFT COATING

By Lonnie Jones

Echo time again, and I am rushing as usual to get this report in on time.

With this report we are starting a new year and we hope that '54 will be full of health and happiness for all.

Melvin Atkinson returned from a week's vacation in Florida. Melvin reported that the weather did not cooperate. He said it was very cold and rainy all during his trip. All the boys wish to thank him for the tree ripened oranges. They were very good, Melvin.

We wish to welcome to A Shift, Joe Barnette. He is replacing Troy Williams who was transferred to C Shift. Joe, you will have a hard time filling Troy's shoes. He kept A Shift on their toes all the time.

Gorden Hollingsworth has been fussing about the new T.V. station in Greenville. It seems that Gorden cannot pick up Greenville. To remedy the situation, he will have to move his antenna up on the hill above his house and the lead-in will cost him about ten dollars. I hope you enjoy it, Gorden, when you get it rigged up.

Shown above is 16-months old Mark Winchester, son of Mr. and Mrs. Ray Winchester of Brevard. Ray is employed in the Coating Dept. (Film Div.)

"D" SHIFT COATING

By Nathan Reed

Here goes with the "Signs of the Times" as observed by "Uncle Na-Bob".

Numerous employees of Coating have reported seeing the following sign down Jim Dalton's way. "R A B B I T F A R M — SUPERVISORS ONLY —

J. Dalton, Mgr."

Auto Dept.: "Ace" Sikkema was reported "drooling" at the recent showing of the new Pontiacs.

Joe Norman was seen sporting a '48 Plymouth Special. He claims it is the cleanest car of its age anywhere—challenges anyone to prove otherwise.

D. Sams was seen proudly admiring his new jitney. Maybe he will get to chauffeur some of the fellows on future sporting expeditions.

H. Waldrop is awfully quiet these days. He is either figuring out a way to get out of some income tax—or worrying about the sum of his own figuring. Here's one thing for sure: You'll have plenty of company in the next couple of months.

Arnold Carter started the new year right by partaking of a wonderful thing called: V A C A T I O N.

Tom McCall really appreciated the little "Bundles of Troubles" left him by Paul Ledbetter.

From Paul himself comes the following "Bit of Wit"—and I quote: "If we have another depression it will be because Ollie Bryson took all his money out of the Banks!" unquote.

C Shift wishes to welcome Ace and Troy Williams to their shift.

Notice! A casualty: one rabbit.

Ownership: Unknown. Cause of Death: Deadly cross fire from the weapons of Bryson, Mackey and Batson. Results: No rabbit, for anyone.

Harold Orr is still diligently working on his new home. Poor boy. He's working himself to death.

Many of you will remember the many varied experiences of Tom Sawyer.

To our midst comes a modern version of the same. Has anyone seen Tom "Sawyer" Hubbard lately??

That's all —
