Hubert Bryson and Joe Plick, outfielder and first baseman, are holding down the number one and two positions in the batting averages on Ecusta's W. N. C. Industrial League team.

compiled an average of .316. Joe is batting close behind at .313.

SOFTBALL IN FULL SWING

Departmental softball is now in full swing at Ecusta with 14 teams in hot competition for the number one position in the standings.

Over sixty games have been played to date and, if favorable weather conditions continue, interest should pick up even more rapidly.

At present the Cello-Wonders, coached by Marshall Gillespie, are undefeated and are holding down the number one spot on the standings ladder. Jack McCall's A-Bums are in second place, having lost only one game. Their single loss was dealt them by the Cello-Wonders.

ONE FOR RIPLEY!

Joe Lavel (Paper Finishing) and Jesse Gillespie (Autobound), bowling in the Ecusta Men's Scratch League Handicap Tournament this year, came up with a bowling "believe it or not."

Joe and Jesse finished in a deadlock for the tournament's all-events honors, each having a total of 1836 pins. The oddity comes in the fact that Joe's handicap was 126 pins and Jesse's 279 pins for the three events, and totaling each's handicap and actual pins in the team, doubles and singles events, they managed to finish with identical scores.

Their individual scores are as follows:

	Hcp.	Team	Dbls.	Sing.	Totals
Joe Lavel	126	504	572	634	1836
Jesse Gillespie	279	531	479	547	1836
