

Officers and members of the Packaging Machine Manufacturers Institute visited the Film Division on September 13. The tour of the cellophane plant was part of the program of the organization's

annual convention held this year in Asheville. Inset: Film Division Production Manager E. L. Lynn (left) offers his congratulations to Tom Miller, the new president of the institute.

## PEOPLE AND PICTURES . . . .

The four men shown above, all employees of the Pulp Mill (Paper Division), have compiled an enviable record of no time lost due to accidents, illness, etc. As of September 13, their individual records are: Dan Edens (left photo), 1374 days;

Everett Whitmire (left, in above photo), 1355 days; Clarence "Chuck" Ramer (center, above photo), 2066 days; and Walter Roberts (right, above), 1484 days. Edens and Roberts have no time lost since being transferred to the Pulp Mill.
