CONFERENCE
OF
EDITORIAL
WRITERS
VISIT ECUSTA
ON OCTOBER 8**

Top:
N. H. Collisson, vice president for operations of Olin Mathieson Chemical Corporation, is shown above addressing the National Conference of Editorial Writers during their visit to Ecusta, October 8, 1954. The editorial writers of the nation's leading newspapers watched the production of Ecusta cigarette paper and cigarette filters as well as Olin cellophane.

Left to right are Don Shoemaker, editor, The Asheville Citizen, Mr. Collisson, Donovan Richardson, editor, Christian Science Monitor, and chairman of the 1953-54 N.C.E.W. In the background is part of the display showing Olin Mathieson products.
