

FILM OFFICE

By
Billie Hart
&
Bonnie Grose

Had a little mixup with our news last month and it didn't appear in the Echo so part of this may seem just a little bit "dated."

We welcome Ione Cordell back to the office. She's been ill for the past few weeks.

Charlie Porter got lucky *again* and won the set of woods given away at the Halloween dance at the Country Club.

Allie Marie Sentelle is enjoying a nice vacation in Washington and from the cards we've received it seems that she's taking in just about all the famous places.

Howard Daniels has recently joined the Technical Section and John Setzer is now with the Maintenance Department. We wish you well in your new positions.

The new car bug is making it's rounds in the Film Office and we expect to see some of the folks driving to work in one of these new 1955 "creations" any day now.

Since the last Film Office news in the Echo just about half the office force has been on vacation at one time or another. Among those were "Bob" Johnson, "Spud" Carpenter, Martha McKelvey, Bruce Brown, Don Hill, "Bill" Orr, Faye Smith, Smith Conklin, Paul Schlunz and Nelson Montieth.

Birthday wishes for December go to Dean Brownell, Al Kriek and Lucille Siniard.

← This young lad is Tom D. Bryson, Jr., three-months old son of Mr. and Mrs. T. D. Bryson. Tommy's mother is employed in the Billing Department and his dad in Film Casting.

DATES FOR HOLIDAY PARTIES ANNOUNCED

The Children's Christmas Party will be held Saturday, December 18, for employees' children between the ages of 1 month and 13 years.

The Annual Teen Age Dance will be held Friday, night, December 17, for employees' children between the ages of 14 to 19 years. Each employees' son or daughter can bring one guest.

Both parties will be in the Paper Division Cafeteria.

Tickets for both parties will be available from department supervisors the first week in December.

THE 10 COMMANDMENTS OF GUN SAFETY

- 1 *Treat every gun with the respect due a loaded gun.* This is the first rule of gun safety.
- 2 *Guns carried into camp or home, or when otherwise not in use, must always be unloaded, and taken down or have actions open; guns always should be carried in cases to the shooting area.*
- 3 *Always be sure barrel and action are clear of obstructions, and that you have only ammunition of the proper size for the gun you are carrying. Remove oil and grease from chamber before firing.*
- 4 *Always carry your gun so that you can control the direction of the muzzle, even if you stumble; keep the safety on until you are ready to shoot.*
- 5 *Be sure of your target before you pull the trigger; know the identifying features of the game you intend to hunt.*
- 6 *Never point a gun at anything you do not want to shoot; avoid all horseplay while handling a gun.*
- 7 *Unattended guns should be unloaded; guns and ammunition should be stored separately beyond reach of children and careless adults.*
- 8 *Never climb a tree or fence or jump a ditch with a loaded gun; never pull a gun toward you by the muzzle.*
- 9 *Never shoot a bullet at a flat, hard surface or the surface of water; when at target practice, be sure your backstop is adequate.*
- 10 *Avoid alcoholic drinks before or during shooting.*
