STUDENTS RECEIVE ANNUALS FOR 1961!

Applause burst forth today as Toby Erwin announced that the long-awaited 1961 Summit had finally arrived and would be distributed to the students after assembly.

This year's Summit is lovingly dedicated to the memory of "The College in the Sky"--to her buildings, grounds, and campus which we shall long remember. It contains photographs of scenes which relate the history of Sealey Castle from the time construction began until its completion, and many on-the-spot-while-you-weren't-looking photographs of students during those unforgettable moments around campus. It is "one last long look" at the college in a castle.

The Summit is a beautiful tribute to those activities, studies, and honors that have been shared and cherished by the students who have passed through the gates of our college. In years to come it will unlock memories of days spent in seeking truth and knowledge.

Under the direction and guidance of Miss Mary Miller, this year's annual staff has done an excellent job. Members of the 1961 Summit staff are: Editor-in-Chief, Toby Erwin; Associate Editor, Nelda Clodfelter; Business Manager, Jane Pinkerton; Photographer, Tom Doe; Faculty Editor, Howard Williams; Class Editor, Rita Grice; Activities Editor, Carol Hayes; and Feature Editors, Kathy Burton and Phyllis Hampton.

Congratulations on a job well done!

AL-PHYLL-MICK TRIO WIN STUDENT ELECTION

After a fast and furious last-day campaign, including a ten-car morning motorcade and a five hour "marathon" radio show, the final count gave "Al" Wight a victory over John Rinehardt for next year's President of the Student Body. Phyllis Hampton was elected Vice-president, and Mickey Schandler, Secretary-Treasurer.

Although any such campaign is naturally a "light-hearted" and sensational affair, we are sure that Mr. Wight takes his new position with the proper seriousness, and will do his best to fulfill the responsibilities of the job.

The Crier staff would like to extend congratulations and the best of luck to "Al" as he takes the school "Downtown" to a bigger and better future.

Don't forget to sign up for the Volley Ball and Ping-Pong Tournaments. You may be a winner!

MAY DAY FESTIVITIES TO BE HELD SATURDAY

The annual May Day festivities will be held this coming Saturday, May 6, at 3:00 p.m. in the beautiful spring atmosphere of our own campus. The entire program will be presented outdoors in front of the building and will include the presentation of the May Queen and her court, folk dancing, and the Shakespearean drama, "Much Ado About Nothing" presented by the Masquars.

To bring the day to a close, the traditional May Dance will be held Saturday evening from 9:00 to 1:00 in the West Ball Room of the George Vanderbilt Hotel. Music will be furnished by the WCC Dance Band and the May Queen and her court will be presented. Everyone is cordially invited to attend.

LIBRARY RECEIVES AN OUTSTANDING DONATION

The Asheville-Biltmore College library has recently received one of the largest donations of books ever made to the college. Mrs. Sherburne Whipple of 305 Vanderbilt Road here in Asheville has given the college a collection of several hundred books. This collection was a welcome gift to the college because they have greatly augmented the library's collection of English literature and will prove invaluable to the students in the English Department, as well as to other students, for years to come.

Included in this collection are books by William Blake, an author noted for his works on both art and literature.

We are so grateful to Mrs. Whipple for her generosity and for her interest in Asheville-Biltmore College.

We are also happy to have in our library Miss Vivian Spurgeons who is proving invaluable to Mrs. Eustis in the work of cataloging books.
