University Program Board

Are you interested in helping to plan and present activities on campus? If so, the University Program Board needs you. In the past, only a handful of students have participated in planning and presenting the activities on campus. We would like to have more student involvement in the future. For more information on the UPB, please pick up our brochure at the information desk in the Student Center lobby and contact Jerry Richman in the Program Coordinator's Office, Room 36 in the Student Center. UPB needs people to represent the

entire student body so that we can provide entertainment that appeals to everyone.

The UPB has just published its first spring semester "Events" calendar in poster form. "Events" is available in the Student Center lobby and at various other locations on campus. "Events" contains all forms of entertainment on campus including UPB sponsored activities, cultural performances, Chamber Music Series, and Music and Theatre Department performances. The poster is free and students are encouraged to pick one up for their personal use.
