Child care position available in exchange for apartment, including utilities, for about 5 to 7 weeks this summer, with option for after school care in fall and winter. Large home in Montford area. The children 7 and 11 years old. Last two weeks of July off. Small salary also, depending on hours worked. Resume and references desired. Call 254-4055.

Fellow student and parent would be interesting in swapping child care duties with other parents who have odd school or work schedules or who just need a break once-in-a-while. I would be willing to work with several parents or singles. If interested, please contact me at (704) 891-5634.
