COLLEGE WEEKLY HOROSCOPE

Aries (March 21-April 19) Don't let an attractive nuisance distract you from chores on Monday and Tuesday. You'll have to move quickly, but take the time to be accurate. On Wednesday and Thursday romance could be hard to resist. Take care, however. Promises you make, especially after Thursday, will have to be kept. The consequences of breaking your word or lying will be terrible.

Taurus (April 20-May 20) You might get lucky Monday evening, in games of chance and romance. Work's also involved, however. Tuesday's best for finishing old projects, especially if you're working with somebody else. On Wednesday a flurry of activity's likely, and it doesn't let up through Thursday. Watch what you say then. A caustic comment could get to the exact person whom you don't want to hear it. You're liable to be asked to share a secret on Friday.

Gemini (May 21-June 21) You may hear seven no's before you get a yes on Monday. Don't give up. Fix up your place on Tuesday so you can entertain special company on Wednesday and Thursday. You may have had trouble making up your mind in the past, but after Thursday that won't be a problem.

Cancer (June 22-July 22) Offer assistance to a neighbor in need on Monday and Tuesday. Having folks over to your house works well on Wednesday and Thursday. An agenda you and your sweetheart draw up seems to work well from Wednesday through Friday, but you could run into financial difficulties Saturday.

Leo (July 23-Aug. 22) Money burns a hole in your pocket on Monday and Tuesday. Don't break your piggy bank just to impress friends. Heed a close friend or sibling's advice on Wednesday and Thursday. Keep quiet about what's going on at home this Thursday and Friday.

Virgo (Aug. 23-Sept. 22) Your dream job could open up on Monday or Tuesday. Go for it, even if you don't think you'll get it. You could be wrong about that. Money flows your way on Wednesday and Thursday. All you have to do is scoop it into your pockets and do whatever other work's required. Move cautiously with a new skill you're learning Friday.

Libra (Sept. 23-Oct. 23) If you want fewer difficulties, wait until late Monday or early Tuesday to launch your expedition, mail your letter or begin your new endeavor. Wednesday and Thursday are even better, and romance is more plentiful then, too. Don't talk much about money or love after Thursday.

Scorpio (Oct. 24-Nov. 21) Shop carefully Monday, and you could get the perfect thing for your home. Somebody else has to let it go at a loss. Work with friends on Tuesday to get the most done in the least time. All the evidence you've gathered starts to add up on Wednesday, and by Thursday you could make a decision to better your living arrangements.

Sagittarius (Nov. 22-Dec. 21) On Monday be ready for a pop quiz ... or two ... or three. The questions are tough, but you're blessed. Then, finish doing what you just promised on Tuesday. Friends help you relax and achieve your goals on Wednesday and Thursday. You'd better be ready by Friday. Somebody will ask for their payoff then.

Capricorn (Dec. 22-Jan. 19) You're overworked Monday. Dash out for something you need, but hurry back to fix two new snafus. Business travel goes better on Tuesday if you leave before the crowds start milling about. Expand your influence, and great riches could be yours on Wednesday and Thursday. Offer to do something a picky person thinks is yucky, and you might even get a promotion.

Aquarius (Jan. 20-Feb 18) An argument with a loved one about money could complicate Monday, but your great idea saves the day. Then, you just have to make it work on Tuesday. Wednesday and Thursday should be glorious. Ignore a critic; you're on a roll!

Pisces (Feb. 19-March 20) A friend is having a tough time on Monday. A little extra attention from you is much appreciated. It may be no more than encouragement, but keep it up on Tuesday. Shop Wednesday and Thursday for pretty things to brighten up your home.
