COLLEGE WEEKLY HOROSCOPE
By Linda C. Black
Tribune Media Services

Aries (March 21-April 19) You're an independent type, but this week the lesson is to get along with others. A rush order at work dominates Monday and Tuesday. Perseverance gets an important message through. A new idea you try out on Wednesday or Thursday may not work as well as you'd hoped. Fix it quickly. An authority figure is watching. Your sweetheart and friends would love to keep you entertained all weekend. Try not to get into too much trouble.

Taurus (April 20-May 20) A financial deal you're working on Monday and Tuesday is loaded with variables. You can make a killing at this, but only if you know what you're doing. Advise your sweetheart or a child against spending too much on Wednesday. You might be the one who picks up the tab if you're not careful. Something that looks like a disaster on Thursday could turn out well. In an ironic twist of fate, love triumphs. Meanwhile, try to keep your mate and your folks from fighting. If they don't get along, you're the one who loses.

Gemini (May 21-June 21) Everybody's trying to tell you what to do on Monday and Tuesday. A friend from far away gives you the information you need, however. Don't argue with your significant other about insignificant details on Wednesday. It's not worth the trouble. Although Thursday's full of complications, the overall outcome should be good. There's work to be done from Friday through the weekend. Travel might get squeezed in there, too. Watch for the opportunity and sneak out when you can. Watch what you say this weekend, though, even to a friend you know and trust.

Cancer (June 22-July 22) You might make a profitable trade on Monday. Be willing to get rid of something you don't use anymore. You can see what needs to be cut on Tuesday and Wednesday. Your partner may be in a grumpy mood on Wednesday, so be extra nice on Thursday. By Friday you may be discussing a household item--or a new house--you'd like to buy together. If you're going to do something that big, do more research over the weekend.

Leo (July 23-Aug. 22) You're most interested in your social life on Monday. Work interferes with your pleasure. You could make a good connection on Tuesday, but try not to spend too much money. You can't avoid the tough tasks on Wednesday. From then through Friday, push hard to catch up. Delegate whatever you can to a professional. Over the weekend, let your partner do the driving. That's what he or she wants to do, anyway.

Virgo (Aug. 23-Sept. 22) You may feel like you're stuck between a rock and a hard place Monday and Tuesday. The overall outcome looks positive. Don't be intimidated; that will just make the job take longer. A conflict with an authority figure on Wednesday or Thursday could make you feel anxious. You're being tested to see if you can handle more responsibility. Show you're calm under pressure, and you'll make a great impression. Meanwhile, clear some space for a rush order coming in on Friday. Saturday and Sunday are busy, too.

Libra (Sept. 23-Oct. 23) Travel is confusing on Monday and Tuesday. You can make it through, but probably not without white knuckles. The overall outcome is positive on Wednesday and Thursday, too. Keep that in mind when you start to feel overwhelmed. Also, keep a secret. From mid-Friday through the weekend, most things get easier. Strangely, something you thought was simple could get tangled, and something you thought was too difficult could fall into place. Take a romantic gift to the one you love on Sunday. That would not only be thoughtful, but wise.

Scorpio (Oct. 24-Nov. 21) Pass on a great deal that a friend tells you about on Monday. On Tuesday, watch for a great deal on something that you buy anyway. Stock up. Send a check to a worthy cause on Wednesday, especially one that's deductible. Don't take on new projects Thursday. You've got enough to do already. A technical breakdown on Friday could have you out shopping for a new gadget over the weekend. Get the one that holds up best mechanically.

Sagittarius (Nov. 22-Dec. 21) On Monday, your presentation of a new idea gets nothing but arguments. If you're a little short on information, Tuesday's good for finding what you need. You'd better not procrastinate. Somebody's apt to ask for it before Wednesday is over. You may have a touch of buyer's remorse on Thursday, but an expensive item of top quality will be a good choice. A class you take on Friday or Saturday could be quite useful. Ask tough questions.

Capricorn (Dec. 22-Jan. 19) You're getting mixed messages concerning work on Monday. That might be due to changes happening there. On Tuesday, if you come up with an idea that works, get bold and brassy with it on Wednesday and Thursday. If you've presented this well, ask for a raise on Friday. You have a chance at it, so don't botch the opportunity. An argument with a friend about money could mar an otherwise lovely Saturday. Don't make a big deal out of it.

Aquarius (Jan. 20-Feb 18) On Monday and Tuesday, offer a friend a shoulder to cry on. He or she is going through a confusing metamorphosis. You're under more pressure on Wednesday and Thursday, due to a task that's overdue. Follow through on an agreement you've made, and you'll feel much better. Your confidence is improving on Friday so move boldly forward. On Saturday, a pass you make at an attractive person could reveal less substance than you had hoped.

Pisces (Feb. 19-March 20) You're in the middle of the activity on Monday. Everybody is pushing their own agenda. Be the moderator. Schedule a relaxing evening with friends on Tuesday. By then you'll need it. Get an older friend together with your partner on Wednesday. Together, they'll solve a tough puzzle. You're under pressure to perform perfectly on Friday. Luckily, this is for a family matter, so don't sweat it. Don't be afraid to make a mess to get what you want.
