COLLEGE WEEKLY HOROSCOPE

By Linda C. Black

Aries (March 21-April 19) Information you gather on Monday and Tuesday could lead to a change in pace. Don't take off on a trip until you're sure where you're going. A shortage of money inspires creativity on Wednesday, and by Thursday you should have the problem solved.

Taurus (April 20-May 20) If you get a windfall Monday, put it into your savings account. Your hard work brings in the bonus on Tuesday. On Wednesday you're going back and forth with your partner about a trivial detail. Just say you're sorry, and things will move along much faster. Study to get ahead on Thursday.

Gemini (May 21-June 21) You're strong on Monday and Tuesday because the moon's in your sign. That doesn't mean you'll get everything you want, however. Go ahead and give it a try. On Wednesday and Thursday the focus is on money; pick up an extra job and get more coins.

Cancer (June 22-July 22) Your mind will be buzzing on Monday and Tuesday, especially if you get a new assignment. Focus on caring for others, and you'll do fine. On Wednesday the moon goes into your sign, which gives you the advantage. Romance goes well on both Wednesday and Thursday.

Leo (July 23-Aug. 22) Your buddies want to talk you into all sorts of things on Monday and Tuesday. Some of their schemes will fall flat. You must decide which ones will. On Wednesday and Thursday your conscience will nag you. Pay back and return everything you've borrowed.

Virgo (Aug. 23-Sept. 22) Monday you've got domestic chores. Don't upset the boss by being late, however. You'll want to make a good impression on Tuesday because you might be able to advance your career then. On Wednesday, a group or committee meeting goes exceptionally well.

Libra (Sept. 23-Oct. 23) If you're starting a trip on Monday, expect confusion Tuesday morning. If you can start on Tuesday afternoon instead, things will go more smoothly. A long-distance connection via phone or modem can get through either day if you set it on auto-send. On Wednesday, watch your manners. An older person is watching you. Look good and busy.

Scorpio (Oct. 24-Nov. 21) A fool and his or her money is soon parted. That could happen to you on Monday if you're not careful. Don't walk off and leave your wallet somewhere. An insider tip leads you to a wise investment on Tuesday. If you hold out for what you want on Wednesday, you'll probably get it. You'll have a couple of weeks to clear up misunderstandings.

Sagittarius (Nov. 22-Dec. 21) Your partner has a clear view of what's ahead Monday and Tuesday, so let him or her do the driving. Follow through on something you've been thinking about on Wednesday and Thursday. Sorting through your junk collection should be easier after then.

Capricorn (Dec. 22-Jan. 19) Check on your work assignment Monday. There might be an error, and you could have to do the job over. Tuesday is a lot easier, as things click into place. You'll be very efficient. On Wednesday and Thursday, your partner's full of great ideas.

Aquarius (Jan. 20-Feb 18) Making a romantic connection on Monday could be hard. Your sweetheart may be busy until late. Tuesday should be better for everything, so set a date for then. On Wednesday and Thursday, expect plenty of work and lots of confusion.

Pisces (Feb. 19-March 20) An older person's unexpected demand could interfere with your personal life on Monday. Tuesday's demands take place earlier, which should be more convenient. Wednesday and Thursday are a mess for others, but for you they look lovely.
