## ETC.

### Looking for terrific experience in arts management and production?

Want to help choose and run performing arts events and serve your university at the same time? Volunteer for the UNCA Cultural and Special Events Committee. Serve on an equal basis with 2 faculty, 1 staff member and 3 other students. Students have the most votes!

We are looking for three sophomore, junior or senior level students who want to have a say in how your fees are used to bring national and international world music, dance, theatre and spoken word performances to UNCA. Time commitment is about 1-3 hours twice a month from now until the end of the spring semester while we choose acts for 2002-03, a little less in the fall semester. Great resume building opportunity.

SOLO Wilderness First Aid  
Training sponsored by Outdoor  
Education

Feb. 2-3, 2002

Sign up at the Health and Fitness Center Room 107  
Contact Chad Morgan, 232-5658, [oeinfo@unca.edu](mailto:oeinfo@unca.edu)

The S.O.L.O. Wilderness Medicine School will be coming to UNCA in early February with its Wilderness First Aid Course. This class is a must for anyone who regularly spends time in the wilderness. Accidents can and do happen on ropes courses, along country roads, or in the backcountry, and all too often members of a group are not capable of dealing with the emergency. Not only does this lead to improper care of the patient, but it also endangers the entire group. This training will help you cope with these incidents!
