Who's playing for 2nd? wins the flag football championship and indoor soccer remains competitive as their regular season continues

Devon Dow

Who's playing for second? lived up to their name capturing the flag football championship last week defeating Crab Cakes and Football 28-13.

"It was a long, hard fought season," said Keith Scruggs, member of Who's playing for second? "We battled through injuries this year during the season and in the end still came out on top. It felt good to be able to pop bottles after winning the championship game."

For many players on Who's playing for second? the championship is their third or fourth consecutive championship in flag football at UNC Asheville.

"We wish Sigma Nu and the Staff team better luck next year. A few guys on our team will graduate this year, but at least next year there will be more competition in flag football for the playoffs," Scruggs said.

Indoor soccer is heating up this season and teams are pulling out all the stops to guarantee victory with hopes of an intramural championship in the near future.

Monday night Banana in Pajamas gave up a one goal lead in the final two minutes of the second half and tied Team Zissou 3-3.

"This game was everything I wanted after a long day of classes," said Jense Garcia, captain of Team Zissou. "We played smart together, and hung in with the

other team and got a draw out of it. It was a lot of fun."

The architect behind the name of team "Zissou" is Philip Wheeler, according to Garcia.

"One night he was watching the film "The Life Aquatic" and he called me up and said that Zissou had to be the name of our team, it's awesome," Garcia said.

The tie came as a disappointment to Banana in Pajamas as they held on to the lead throughout the majority of the game.

"We just need to play harder, be quicker around the ball and be super good," said Gabe Kallen, captain of Banana in Pajamas.

The next game of the night featured The Aristocrats against Babylon Badasses.

The game got off to a rocky start for the Aristocrats as only five of their players initially showed up. The Babylon Badasses came fully prepared with players and Nike team jerseys.

In the first 20 seconds of the game, Babylon Badasses struck first, putting the Aristocrats behind

1-0. As the first half continued, members of the Aristocrats arrived at the match and joined up with their teammates. Their attributed efforts on the court tied the game 2-2 at the half.

A battle cry out of the Aristocrats corner at the start of the second half sealed the fate of Babylon Badasses. The Aristocrats scored three goals in the second half overcoming their weak start, and defeating Babylon Badasses 5-3.

The team captain of Babylon Badasses would not comment about the loss.

The halftime cheer is what did it for the Aristocrats, according to team members. The intimidation of their confidence and cheers sent fear through the players of Babylon Badasses.

While the game did get off to a slow start for the Aristocrats, they wanted to make a dramatic entrance as a team and be fashionably late according to team members.

"We wish Sigma Nu and the Staff Team better luck next year. A few guys on our team will graduate this year, but at least next year there will be more competition in flag football for the playoffs."
